Dear Friend of Limerick GAA,

These are wonderful times for Limerick Supporters with extraordinary success achieved on the field of play – a “golden era” for Limerick surely with our:

- Senior Hurlers winning three of the last four All – Irelands.
- Our Minor Footballers in reaching the Munster Final 2021
- And as we write, our Senior Footballers have earned deserved promotion to Division 2 next season.
- Planned integration of Camogie and Ladies Football with Limerick GAA County Board, so one united Association

Club Limerick Global has played its role in supporting this success with funds raised being invested directly towards the preparation of the teams. The whole purpose of CLUB Limerick Global is to support our excellent teams and their respective management. We must assist them in continuing to stay at the very pinnacle of the Irish Sporting World, whilst also keeping our diaspora in very close contact with all that's happening in the Limerick GAA Network and our recently established WhatsApp Group will facilitate that going forward. Put simply, CLUB Limerick Global will bring together and connect Limerick people from all parts of the globe to intimately support a common cause. Together we are better and let's ensure we have a shared pride in all things Limerick.

Success comes at a cost, and to stay competitive at the highest level we need your ongoing support. We have maintained the membership fees for 2022 at €1000/\$1200. Adequate financial support is fundamental to the preparation of the teams; laying the foundations for our future generation of players as well as helping develop our current Capital Projects such as The Kilmallock Road Project, Mick Neville Park Project and the ongoing development upgrade at the TUS Gaelic Grounds.

We intend to develop and foster a “Sense of Belonging” to what we believe is something special going forward and we look forward to welcoming you as a member of CLUB Limerick Global.

Yours in sport,

John Cregan
